

Pricing Structure.

Our fares are calculated similar to the AA rate calculation model and are a combination of the following; base price, price per kilometre and price per minute. Currently we are not charging price per travelling time on all the vehicle options. Our prices are before taxes but for now we are adding 2% Tourism Levy only as we are not yet VAT registered.

1. USD ACCOUNT CASH – Price schedule

Vehicle Type	Min. Fare	Base Fare	Price/km	Price/min
STANDARD	3.00	0.50	1.00	0.00
STANDARD XL	3.00	0.50	1.00	0.00
COMFORT	4.00	1.00	1.50	0.00

Roughly USD1.00 per kilometre, on STANDARD and USD1.50 per kilometre, on the COMFORT option

2. USD ACCOUNT NOSTRO – Price schedule

Vehicle Type	Min. Fare	Base Fare	Price/km	Price/min
STANDARD	3.00	0.50	1.05	0.00
STANDARD XL	3.00	0.50	1.05	0.00
COMFORT	4.00	1.00	1.50	0.00

Roughly USD1.05 per kilometre, on STANDARD and USD1.50 per kilometre, on the COMFORT option

3. ZWL ACCOUNT – Price schedule

Vehicle Type	Min. Fare	Base Fare	Price /km	Price /min
STANDARD	3.00	1.00	1.20	0.00
STANDARD XL	3.00	1.00	1.20	0.00
COMFORT	4.00	2.00	1.85	0.00

Roughly USD1.20 per kilometre, on STANDARD and USD1.90 per kilometre, on the COMFORT option. This account prices are not so stable but we will hold (lock) them for the whole calendar month.

Joining our family is entirely free and your first month has a 10% discount.

Remember you only get charged based on usage and there is no monthly fee or hidden costs or any subscription payments needed.
